SOL-PAK®

Packaging That Makes Good Things **Better!**

Based out of Southern California, SOL-PAK INC., manufactures a full line of plastic packaging containers. We have been most concentrated in the foodservice, bakery, confectionary, and supermarket industries. Our expert design team specializes in custom packaging designs as well as personalization of our existing containers.

At SOL-PAK INC., we have a firm conviction in the philosophy that our success is a result of our customer's success. This ideology has driven our commitment to providing our customers the highest quality product, accompanied with stellar service, while remaining competitive.
