# DRINK CUPS

WinCup® foam cups for hot and cold beverages deliver great performance and value for customers every day. Our high-quality foam keeps hot beverages hot and cold beverages cold for a longer period of time than other disposable cup substrates, delivering end-user preferred performance year-round.

- Available in sizes ranging from 4oz to 64oz
- Accommodate a wide range of popular lid options

# CONTAINERS & BOWLS

Versatile WinCup® food containers and bowls are the superior choice for serving all kinds of foods, therefore hot soups to frozen desserts will taste better when served in these sturdy, insulated containers and bowls. Essential packaging for your ready-to-serve and carry-out offerings.

- White, 5oz - 12oz "spoonable bottom" bowls
- White and Custom Print 4oz - 32oz food containers
- 4-color Custom art available on most sizes; *however not all sizes can be printed*
- Your choice of tall and squat containers
- Variety of vented and non-vented lids available for bowls and food containers

# CUSTOM PRINT

Increase your brand awareness with custom printed hot and cold foam and paper-wrapped cups. Deliver your marketing messages and logos on exciting, high-quality paper prints or on printed foam using up to 4 spot colors.

- Cup sizes from 4oz to 64oz (8oz to 32oz for Generation cups; 12oz- 32oz carcup for paper-wrap) to accommodate all your customization needs

# MARQUEE™ COFFEE HOUSE

Upgrade your brand image and experience premier print and performance with Marquee™ **paper-wrapped** foam cups, Wincup's® premium hot cup offering. Available as a custom print featuring your artwork or in the upscale "Coffee House" stock print, Marquee™ tells your customers that they are getting "the best" at your establishment.

- 12oz to 24oz, with 32oz car cup available for custom print.
- Complete cup coverage with unparalleled print quality to maximize imagery and branding.
- Superior insulating properties of foam keep hot beverages at the right temperature and ensure a great customer experience.

# PROFIT PALS®

Our well-known line of 4-color stock prints are a fun, colorful addition to your beverage service. Profit Pals® have an energetic, appealing design that your customers want along with the important details your business will appreciate.

- Scannable bar codes for faster check outs
- Large, color – coded ounces displayed prominently on the cups for easy identification
- Available in 8oz to 64oz cups, including 32oz & 44oz straightwall or car cup options
- Accommodate a wide range of popular lid options

# SIMPLICITY®

Often found in healthcare and educational facilities, Simplicity's® abstract design and cheerful splash of colors is an outstanding addition to your foodservice offerings. Perfect for both hot and cold beverages, Simplicity® is an "all purpose" line available in a range of sizes from 8oz to 44oz.

- Features color-coded ounce sizes on each cup for easier identification at the register
- Lid options include all popular hot and cold choices including straw slot, tearback and drink-thru lock back

# COCA-COLA®

Distinctive Coca-Cola® stock cups help liven up your beverage center and encourage increased consumption. Leverage the popularity and brand recognition of one of the world's leading consumer brands to drive increased cold cup profits for your establishment.

- 12oz to 64oz cups available
- Range of popular lids include straw slot, ID, dome with spoon hole, vented and others

# CAFE ULTIMA II®

A perennial stock print favorite, Café Ultima II® brings the warmth and charm of an old-world map design to your coffee service. Featuring our European – style, flared Generation cups and high-performance foam, your hot beverages will stay hot longer and deliver a consistently pleasing customer experience every time.

- 8oz - 24oz sizes available
- Cost efficient – no double cupping or additional paper sleeves required
- Fits all popular lid options including tear-back, drink-thru lock back, sip thru dome; select lids available in black

# LIDS
