

CTF
UltraTM
Counter Mounted
TouchFREE Foam
Soap Dispenser

Power efficient **CTF Ultra™** dispenser provides the ultimate touch free hand washing experience with Deb Stoko's great range of Refresh™ foam and antibacterial hand soaps. The system provides a thick, rich foam for a luxurious hand washing experience.

EASY, FLEXIBLE INSTALLATION

Easy installation – The dispenser mounts to a standard hole (0.94” to 1.25” diameter) and contains a flexible design that allows any orientation to guarantee housing in most facilities. Bottles are easy to load in the dispenser with a “one hand twist and lock” exclusive design.

WORLD CLASS RELIABILITY

A new pump and delivery tube with every refill eliminates leaks, downtime and costly refills. The hygienically sealed bottles will keep soap fresh and eliminate risks of cross-contamination. The built-in indicators notify facilities when refills and batteries need replacement for easy maintenance.

- Red light = low refill
- Yellow light = low battery

COST EFFECTIVE

Highest capacity - **CTF Ultra** delivers the correct amount of product for each application, providing up to 2,000 hand washes per bottle and savings on labor costs.

LONG LASTING

Industry leading battery life - One set of D-cell batteries will last up to 3 years or 90,000 hand washes (45 bottles), up to 4.5 times longer than other similar systems.

EFFICACY TESTS

Water Saving: Independent tests show that washing hands with foam soap rather than lotion soap can reduce the average water consumption by as much as 45% (Conclusion of report: "How a simple change in the washroom can significantly reduce water consumption and associated costs", Durrant and McKay, 2011).

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test: The 48hr Single Patch Test results have been validated by a dermatologist to show the product to be 'non-irritant'.

In vitro Eye Irritation Test: Results show product is not irritating to eyes.

CERTIFICATIONS

Green Seal Certification: This product meets Green Seal™ Standard GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. Green Seal offers certification for the products, services and companies that meet Green Seal standards. The Green Seal mark represents compliance with a rigorous set of criteria designed to achieve leadership levels in sustainability. Companies establish an ongoing commitment to health and the environment through annual compliance monitoring and work toward continuous improvement.
