

AquaSport Wood Floor Cleaner

four-in-one maintenance cleaner

Spartan's AquaSport Wood Floor Cleaner is specifically formulated to clean natural hardwood floors without product buildup, harsh detergents or ammonia. Removes dirt and can be used daily as part of a scheduled maintenance program. AquaSport Wood Floor Cleaner can also be used as a pre-cleaner during the finishing or re-coating process. AquaSport Wood Floor Cleaner is an integral step to Spartan's AquaSport professional waterborne wood floor care program.

**PRODUCT FEATURES
 SAVES TIME AND LABOR**

Quick to dry, and no rinsing required makes AquaSport Wood Floor Cleaner a time and labor saving product. A beneficial product to any well-sealed professional waterborne wood floor maintenance program.

FOUR-IN-ONE APPLICATIONS

Various solutions with different dilutions are possible with AquaSport Wood Floor Cleaner. Use as a maintenance cleaner, spot cleaner, tack rag cleaner, or pre-finish treatment. Use on all types of sealed, natural wood and all synthetic/impregnated flooring, laminates and resilient flooring.

**MAINTENANCE CLEANER SAFELY
 REMOVES RESIDUES**

Formulated for use on waterborne finished wood floors. AquaSport Wood Floor Cleaner is gentle and will not dull the finish. AquaSport Wood Floor Cleaner removes environmental soils from the soles of athletic and street shoes. Removes greasy food residue left behind from enthusiastic audiences. Plus, effectively removes cosmetic type products, body oils and hair.

**SPOT CLEANER AND PRE-FINISH TACK
 RAG TREATMENT**

Helps maintain the floor appearance with the ability to address just the visible dirty spots. Dilute AquaSport Wood Floor Cleaner as directed and place diluted formula into a Spartasprayer. Spray the product onto a clean sponge or towel and wipe surface clean until the soiled spot vanishes. Simply change dilutions and prepare wood flooring for a more gentle tack rag application using AquaSport Wood Floor Cleaner.

DIRECTIONS FOR USE:

IMPORTANT NOTE – READ BEFORE

PROCEEDING: This product and its vapors are flammable and are harmful to inhale.

Be sure to provide adequate ventilation and observe precautionary and Personal Protective Equipment (PPE) recommendations.

As with any water-based product used on wood, avoid over wetting. Work small areas and remove solutions quickly (within 10 minutes).

MAINTENANCE

1. Thoroughly vacuum and dust mop floor using AquaSport Wood Floor Maintainer.
2. Mix AquaSport Wood Floor Cleaner 1:64 (2 oz. to per gallon water) depending on soil load and wet mop the floor. Work small areas and remove solution quickly (within 10 minutes) with auto scrubber, making sure vacuum and squeegee are picking up the solution. Have a second person spot check and pick up any solution not picked up by the auto scrubber.
3. For periodic (weekly) removal of AquaSport Wood Floor Maintainer residue, or to remove heavy soil build up, mix 1:6 (21 oz. per gallon of water). Moisten a clean cotton towel and tack floor. Keep a clean edge and change towel often. Do not attempt to clean the dirty towel in AquaSport Wood Floor Cleaner solution and reuse – use a clean towel.

KEEP OUT OF REACH OF CHILDREN

Read the Material Safety Data Sheet (MSDS) for additional precautions.

SPECIFICATION DATA:

Total Active Ingredients 24%

Appearance Light green

Odor Slight solvent

Weight per gallon 8.06 lbs. (density 0.96)

Flash point (T.C.C.) 97°F (concentrate)

Flash point (T.C.C.) 140°F (1:6 dilution)
