DublSoft®

❧ P R E M I U M ❧

ROLL *and* FOLDED TOWELS
BATH *and* FACIAL TISSUE

The new DublSoft® towel and tissue line offers the premium quality and refined image that is expected in the most upscale facilities. Featuring premium embossing and stylish new packaging, DublSoft® products will appeal to your most discriminating customers and patrons.

The complete line includes roll and traditional folded towels, OptiFold® folded towels, OptiCore® and universal bath tissue, and facial tissue. For premium quality and appearance, choose DublSoft® premium towel and tissue products.

DublSoft® Premium Roll Towels

DublSoft® roll towels offer high-capacity benefits combined with a premium appearance. Featuring an exclusive leaf design embossing pattern, DublSoft® roll towels are ideal for high-traffic areas in office buildings, healthcare facilities and restaurants. DublSoft® roll towels are available in 630 foot rolls and widths of 7½ or 8 inches.

DublSoft® Premium Folded Towels

DublSoft® folded towels are designed for Class A office buildings, restaurants, and hotel convention facilities. The leaf emboss pattern provides enhanced softness and absorbency for patrons. Folded towels are available in multifold, C-fold, OptiFold® and OptiFold® ES configurations.

DublSoft® Premium Bath Tissue

NEW! 400-COUNT BATH TISSUE

DublSoft® bath tissue features consumer-like floral embossing for exceptional softness. Universal tissue is available in 500 sheet count and a new 400 sheet count to satisfy any facility's need. The OptiCore® tissue provides optimum savings in maintenance time and costs when combined with our Silhouette® dispensing systems.

DublSoft® Premium Facial Tissue

DublSoft® facial tissue offers superior softness for the most discriminating customers. Facial tissue features a colored indicator sheet to notify staff that product is low, thereby saving maintenance time. The stylish new contemporary packaging makes the flat or cubed box facial an attractive addition to any décor.

Wave'n Dry® Touch-Free Roll Towel Dispenser

The Wave'n Dry® is the first roll towel system to offer totally touch free dispensing. The towel is stored fully protected inside until you request service by passing your hand or arm underneath the sensor.

- Simple to operate
- Controls usage with metered dispensing
- Custom imprinting available
- Available in five translucent colors: black, red, green, blue and white

80010/75010 Series

OptiServ Hybrid™ Roll Towel Dispenser

The OptiServ Hybrid™ dispenser delivers a pre-measured 11-inch towel to control usage and promote cost savings. The OptiServ Hybrid™ is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

- Features both electronic and manual operation
- Side-hinged door for easy opening and loading
- Controls usage by dispensing pre-measured 11-inch towel with each use
- Custom imprinting available
- Available in five translucent colors: black, red, green, blue and white

87510/77510 Series

OptiServ® Hands-Free Roll Towel Dispenser

The OptiServ® Hands-Free dispenser only requires you to touch your personal towel, thereby reducing the chance for cross-contamination from touching commonly used surfaces such as levers or buttons.

- Side-hinged door for easy opening and loading
- Controls usage by dispensing pre-measured 11-inch towel with each use
- Custom imprinting available
- Available in five translucent colors: black, red, green, blue and white

86500/76500 Series

Silhouette® Folded Towel Dispensers

The Silhouette® folded towel dispenser holds Multifold, C-fold, Singlefold, and OptiFold® towel configurations. The sleek, yet elegant style and color options offer a coordinated washroom appearance. OptiFold® ES towels will easily fit into your dispenser with a small adaptor.

- Features side-opening door for easy accessibility and maintenance
- Compact size available
- One-at-a-time dispensing
- Custom imprinting available
- Available in five translucent colors: black, red, green, blue and white

53500/53200 Series

The 8-inch OptiFold® ES series towels will easily fit into your existing dispenser with the adapter shown. Part No. 18587

OptiFold® ES Folded Towel Dispenser

Designed with a small footprint, the OptiFold® ES towel dispenser is ideal when a folded towel is needed but space is limited.

- Requires no adaptor
- Standard Wausau Paper key-lock system, but can be converted to a push button keyless dispenser
- One-at-a-time dispensing
- Available in five translucent colors: black, red, green, blue and white

53800 Series

Revolution® 3-Roll Tissue Dispenser

The Revolution® 3-roll tissue dispenser will accommodate OptiCore® tissue products for controlled-use dispensing and optimum savings in maintenance time and costs. When one roll of tissue is used, simply turn the dial to advance to the next roll.

- Designed for high-capacity applications
- Features a locking cover to prevent product pilferage and waste
- ADA Title III compliant
- Custom imprinting available
- Available in five translucent colors: black, red, green, blue and white

80300 Series

Dubl-Serv® Vertical 2-Roll Tissue Dispenser

The Dubl-Serv® Vertical 2-roll dispenser is designed for high-capacity applications and will accommodate OptiCore® tissue products for controlled-use dispensing and optimum savings in maintenance time and costs.

- Ideal where horizontal space is a consideration
- Features a locking cover to prevent product pilferage and waste
- ADA Title III compliant
- Custom imprinting available
- Available in five translucent colors: black, red, green, blue and white

82300 Series

Dubl-Serv® Side-by-Side 2-Roll Tissue Dispenser

The Dubl-Serv® 2-roll Side-by-Side tissue dispenser will accommodate OptiCore® tissue products for controlled-use dispensing and optimum savings in maintenance time and costs.

- Features a locking cover to prevent product pilferage and waste
- ADA Title III compliant
- Custom imprinting available
- Available in five translucent colors: black, red, green, blue and white
