

Front Runner Floor Machines

13", 17" & 20" floor machines

Key Features

- Infinitely adjustable ergonomic handle
- Heavy duty frame construction
- Multiple sizes and speeds to fit all cleaning applications
- Heavy duty planetary gears for smooth operation
- Built to operate in commercial and industrial applications
- 17" and 20" machines come with pad driver at no additional cost, 13" does not come with the pad driver

Safety

- Heavy duty 14-3 jacketed power cable designed for long wear
- Hospital grade plugs that meet all health care compliance regulations
- Safety interlock switches prevents accidental machine operation
- Heavy duty non-conductive strain relief protects operator and power cable
- Wrap-around bumper protects all environmental surroundings
- Carbon brush indicator light on two speed machines
- Power indicator light lets the operator know when the machine has power
- All operator control handles are non-conductive to protect the operator

General Overview

- Powder coated epoxy paint helps eliminate scratching and corrosion
- Large 4.5" non-marking transport wheels
- All 17" and 20" floor machines come standard with 1.5 hp, triple planetary gears
- 20" machines are available in dual speed
- 13" ¾ hp machines are available for "tight" cleaning situations
- All handles are made of tubular coated steel to resist rust and corrosion
- All machines are equipped with a 50' 14-3 wire heavy duty water resistant power cord

Productivity

- Many types of brushes, pads and scrubbing heads are available to use on the Front Runner Floor Machines
- Heavy duty capacitor start provides the needed power even in the toughest cleaning situations
- Available in three sizes to meet all your cleaning needs
- Whether its carpets, wood floors, concrete or stone, the Front Runner series machine will help get the job done

Ease of Use

- Infinitely adjustable handle from operator position
- Quick release cord latch
- Large non-marking 4.5" rear wheels for easy transport
- Simple safety release power switch
- Pad holder with center cup keeps pad evenly mounted

Markets

- Hospitality
- Institutional
- Industrial
- Health Care

Accessories/Options

- Multiple brush grits to meet all cleaning needs
- Pad drivers
- Solution tanks
