SKU # 686860

# Stay White Floor & Concrete Cleaner

**Stability:** Shall remain stable when stored under normal conditions in original unopened containers. Do not allow to freeze.

**Appearance:** CLEAR  
**Odor:** NONE  
**pH\*:** 13-14  
**Specific Gravity:** 1.100  
**VOC:** NONE

\*As determined by a glass electrode pH meter as a concentrate.

**For industrial and institutional use only, not for retail sale. See SDS for complete product specifications.**

Stay White Floor & Concrete Cleaner quickly removes greasy stains, oils and everyday dirt from concrete and most other hard surfaces like kitchen quarry tiles, porcelain and ceramics. Stay White is low foaming and fragrance free. Not for use on soft floors like vinyl or linoleum tile surfaces.

#### DIRECTIONS:

Dilute according to soil conditions.

#### Kitchen Floors:

For daily floor cleaning mix 1/2 -1 ounce of product to one gallon of hot water. Apply product to surface and mop or scrub clean. No rinsing is required.

For heavier restorative cleaning, use of a auto-scrubber or pressure washer is recommended.

#### Loading Docks:

Mix 8 ounces of product to one gallon of hot water. Apply to area to be cleaned and allow solution to remain on the surface for approximately 5 minutes. Scrub and rinse clean.

**EMERGENCY RESPONSE: IF ON SKIN:** Take off contaminated clothing and wash before reuse. Rinse skin with water. If skin irritation persists: Get medical attention. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. If problem persists, call a Poison Center or get medical attention. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Get medical attention immediately.

#### INSTRUCCIONES

Diluya de acuerdo a las condiciones de suciedad.

#### Pisos de Cocina:

Para limpieza diaria mezcle 1onza del producto a un galón de agua caliente. Aplique el producto a la superficie y trapee o talle hasta dejar limpio. No se necesita enjuagar.

Para limpieza restaurativa, use una máquina automática de tallar o lavadora a presión.

#### Plataformas de Carga:

Mezcle 8 onzas del producto a un galón de agua caliente. Aplique al área a limpiar y deje reposar por 5 minutos. Talle y enjuague hasta dejar limpio.

**PRIMEROS AUXILIOS: CONTACTO CON LA PIEL:** Quítese la ropa contaminada inmediatamente todo y lavelo antes de usarlo. Enjuague la piel con agua. Si persiste la irritación de la piel: Obtenga atención médica. **SI EN OJOS:** Enjuague cuidadosamente con agua durante varios minutos. Quítese los lentes de contacto, si presente y fácil de hacer. Continúe enjuagando. Si persiste la irritación de ojo: Obtenga atención médica. **SI SE INHALA:** Retire la persona al aire fresco y mantengalo cómodo para respirar. Si el problema persiste, llame a un centro de envenenamiento o obtenga atención médica. **CASO DE INGESTIÓN:** Enjuague la boca. No induzca el vómito. Busque atención médica inmediatamente.
