# ONE PACKS™

## » The Next Generation of Dispenser-Free Control Systems

Stearns One Packs™ are a comprehensive line of more than 60 professional-grade cleaning liquids and powders, innovatively packaged in premeasured packs. Precise measuring guarantees accurate-strength solutions every time, maximizing cleaning performance while saving you time and money.

Traditional dispenser machines may accurately mix concentrates, but they are prone to fail, complicated to operate, and they force workers to waste time returning to the supply closet to refill buckets and bottles. Dispenser-free One Packs™ have no moving parts or plumbing to break down, require almost no training, and are uniquely portable – allowing your staff to accurately mix anywhere in the facility.

Switching your operation over to One Packs™ couldn't be easier: there is no costly equipment to install, no special training, and no

fixed water hook-ups required. In fact, with One Packs™, you can eliminate solution centers completely – saving valuable space in custodial closets.

Don't limit your staff's effectiveness with outdated equipment and methods when the next generation of dispenser-free control is just a phone call away with Stearns One Packs™.

*One pack per bottle or bucket,  
one trip to the supply area. No  
hardware. No plumbing. No problems.  
That's the Stearns One Packs™ promise.*

### Simplify Distribution

*With the One Packs™ Express program, top-performing cleaners are specially packaged to include 10 packs of a single premeasured product per carton, packaged 10 cartons per case. The handy 10-packs simplify distribution to:*

- Remote sites
- Franchises
- Mobile crews
- Multi-store locations
- Multi-building campuses
- Facilities with limited custodial storage

# ONE PACKS™

Dispenser-Free Control Systems®

# GREEN SEAL™

## » Certified Environmentally Preferred Products\*

Introducing a special line of Stearns One Packs™ products in source-reduced packaging, and Green Seal Certified to clean your entire facility with minimal environmental impact. These products are formulated to meet the stringent standards of Green Seal GS-37 and conform to the California Air Resources Board maximum allowable VOC levels.

The US Green Building Council, the EPA, and other organizations are requiring cleaning operations to use green chemistry, reduce packaging waste, and focus on sustainable cleaning programs that reduce the impact on our environment and health while improving worker safety.

\*These products meet the Green Seal™ Standard GS-37 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. [GreenSeal.org](http://GreenSeal.org).

### GS Extra-Strength Cleaner Concentrate

A heavy-duty all-purpose cleaner and degreaser for superior penetration and removal of greasy soils. Cleans safely without hazardous fumes and harmful by-products. Ideal for use on all surfaces.

### GS Neutral Cleaner Concentrate

A mild pH-neutral cleaner designed for mopping all types of floors and cleaning washable surfaces. Contains no caustic, abrasive, or harsh ingredients to mar fine floor finishes. Leaves surfaces sparkling clean without film or streaks.

### GS Restroom & Bowl Cleaner Concentrate

Non-corrosive and free of harmful acids. It cleans toilet bowls, urinals, tile walls, tubs, and sinks with ease and safety. Breaks down and removes daily accumulations of soils, limescale, and urinary salts with its high foaming action. Fresh clean fragrance.

### GS Window Cleaner Concentrate

A super-concentrated window cleaner that leaves glass, stainless steel, and other hard surfaces free of streaks, soils, smudges, and grease. Formulated without solvents, glycol ethers, or ammonia. Contains no VOCs and is safe on plastics.

### Environmental Impact Statement

For more than forty years, the concept of premeasured products with reduced packaging, accurate measurement, and safe formulations has been the cornerstone of Stearns' product philosophy. It is our objective to help our customers meet their goals by focusing on the principles of environmental sustainability. In cooperation with government and environmental agencies, our ongoing evaluation of formulations and packaging technology ensures quality performance while reducing environmental impact.

# 5-POINT DAILY CLEANING SYSTEMS

## » Premeasured Solutions for the Entire Facility

Your time is short. Your budget is limited. Clean it quickly and inexpensively with the staff you have.

The 5-Point Daily Cleaning System from Stearns provides you with the five ideal One Packs™ products to efficiently complete daily cleaning tasks for your whole facility, including restrooms. The 5-Point Daily Cleaning System simplifies the entire process, delivering the enhanced training, portion control, and color-coded accessories you need for success.

Standardize your communication about safety, usage, and correct

application with the color-coded wall chart (page 5) that matches the best dispenser-free One Packs™ products with your facility's unique demands. Select the One Packs™ Green Seal option for Chemical Management System compliance and Leadership in Energy and Environmental Design (LEED) credit.

The simplicity and performance of One Packs™ makes the 5-Point Daily Cleaning System the easiest program on the market to introduce into your facility. A qualified Stearns representative can help you choose the right 5-Point Daily Cleaning System for you.

### Go Dispenser-Free Now!

Get your cleaning staff started right with Stearns' ST-902 GS 5-Point Green Cleaning System Starter Kit. Packed with environmentally preferred products\*, the kit simplifies the transition to the consistent results of One Packs™.

Kits are available in both Green Seal Certified and conventional formulations. Or, customize a kit to fit your facility's needs.

Take the next step. Contact a qualified Stearns representative today, and get started!

### Each ST-902 Kit Includes:

10 packs each of

ST-853E GS Extra-Strength Cleaner Concentrate

ST-740E Mark 11 Disinfectant Cleaner\*

ST-851E GS Restroom & Bowl Cleaner Concentrate ST-840E GS Window Cleaner Concentrate

30 packs of

ST-846E GS Neutral Cleaner Concentrate

### Kit Also Includes:

4 silk-screened bottles with sprayers

Material Safety Data Sheets

GS 5-Point Training and Safety Guide

2 pack openers

1 mixing hose

## Mark 11 Disinfectant Cleaner\*

For light to medium soiled surfaces, washroom fixtures, countertops, toilet bowls, stainless steel, drinking fountains, mirrors, painted walls, phones, ashtrays, and garbage cans.

## GS Restroom & Bowl Cleaner Concentrate

For toilet bowls, urinals, shower walls, tubs, and sinks.

## GS Window Cleaner Concentrate

For glass, windows, mirrors, and stainless steel.

## GS Extra-Strength Cleaner Concentrate

For heavily soiled or oily surfaces, washable surfaces, countertops, tables, walls, and vinyl furniture.

## GS Neutral Cleaner Concentrate

For lightly soiled hard floors, including marble, terrazzo, asphalt tile, ceramic tile, granite, synthetic floors, poured surfaces, concrete, and linoleum. Safe for fine floor finishes.

## 5-Point Daily Cleaning System

*Standardize your communication about safety, usage, and correct application with the Stearns 5-Point Daily Cleaning wall chart that matches the best dispenser-free One Packs™ product with your facility's unique demands. Wall charts are customizable to fit every facility manager's needs. Visual icons promote consistent results while reducing training time.*

\* Mark 11 Disinfectant Cleaner is not Green Seal Certified. Per GS-42, Green Seal Standard for Cleaning Services, disinfectant products are not required to be environmentally preferred, but must be registered by the United States Environmental Protection Agency.

# WATER FLAKES®

## » Quick and Simple Water-Soluble Packets

Some cleaning products are delivered and stored more efficiently as powders instead of liquids. To complement our innovative One Packs™ premeasured system for liquids, Stearns has developed the revolutionary Water Flakes® water-soluble packets for powder concentrates.

Water Flakes® are exact portions of powdered cleaning concentrates, packaged in a water-soluble film that dissolves quickly in water. Just toss one into a sink, toilet bowl, or bucket of water, and you have the perfect-strength solution in seconds – without measuring, pouring, or even opening any packages.

Water Flakes® give you the same great advantages as One Packs™ – no waste, no confusion, and point-of-use mixing without dispensing equipment. They are shipped in your choice of lightweight storage tubs or larger-size reusable pails, and are offered in 11 popular formulations:

- All-Purpose Cleaner/Deodorizer
- Bowl Cleaner
- Bug Blitzer®\*
- Floor Conditioner and Neutralizer
- Heavy-Duty Cleaner Degreaser\*
- Hytron® In Water-Soluble Packets\*
- Neutral Cleaner
- Porta-Fresh Holding Tank Deodorant\*
- Pot & Pan Detergent
- Powdered Detergent/Disinfectant\*
- White Wings® Ultra Laundry Detergent

06

\*Bug Blitzer®, Heavy-Duty Cleaner Degreaser, Hytron® In Water-Soluble Packets, Porta-Fresh Holding Tank Deodorant, and Powdered Detergent/Disinfectant are not Design for the Environment (DfE) recognized.

# QUART'R PACKS®

## » Water-Soluble Packets for Quarts

Introducing Quart'r Packs®, a quicker and simpler dilution control system for spray-and-wipe cleaning. A complement to our Water Flakes® line, each packet of Quart'r Packs® dilutes with one quart of water.

Containing exact portions of powdered cleaning concentrates, Quart'r Packs® are packaged in water-soluble film. They dissolve quickly in water – no pouring,

measuring, or opening packets. Just drop one Quart'r Packs® packet into one quart of water, and you are on your way to a cleaner and greener facility.

Quart'r Packs® are shipped four small tubs per case. Or, choose one tub and one silk-screened color-coded bottle per case.

Now available in five formulations:

- Restroom & Bowl Cleaner
- Extra-Strength Cleaner
- Neutral Cleaner
- Window Cleaner
- Powdered Detergent/Disinfectant\*

Just drop one  
Quart'r Packs® packet  
into one quart of water, and you are  
on your way to a cleaner and greener facility.

# QUIK TANK

## » Inventory Control for Frequent Spray-and-Wipe Cleaning

The Stearns Quik Tank system is the perfect inventory-control solution for frequent spray-and-wipe applications requiring high volumes of cleaning solution. Simply fill the 5-gallon Quik Tank container with water and any of 10 popular Stearns premeasured cleaning concentrates – your staff can easily fill their spray bottles and begin cleaning.

With low initial investment and simplified training, your facility has nothing to lose and everything to gain.

- Extra-Strength Cleaner

- GS Extra-Strength Cleaner Concentrate
- GS Restroom & Bowl Cleaner Concentrate
- GS Window Cleaner Concentrate

- Air Freshener
- Mark E II One-Step Disinfectant, Germicidal Detergent and Deodorant
- Mark 11 Disinfectant Cleaner
- Mark 10 Bathroom Cleaner
- Restroom & Bowl Liquid Concentrate
- Window Cleaner & Stainless Steel Cleaner

# QUIK TANK

# DISINFECTANT CHART

## » Choose the Right Disinfectant/Sanitizer for Your Facility

Stearns Dispenser-Free Control Systems put you in control of cross-contamination with labor-saving effectiveness.

Schools, airports, office buildings, and retail stores can reduce absenteeism and improve public health with a One Packs™ 5-Point

System maintenance program that features disinfectant cleaners.

On-the-go mixing convenience and broad-spectrum killing power put your staff in control of costs and the latest, most contagious pathogens.

Refer to the individual Technical Data Sheets and Efficacy Summaries for the pathogen-specific performance of Mark E II, Mark 11, Steramine®, Water Flakes® Powdered Detergent/Disinfectant, Quart'r Packs® Powdered Detergent/Disinfectant, Sanitergent™, and Sink Sanitizer against the latest pathogens.

#### GS Neutral Cleaner Concentrate

Concentrated pH-neutral floor cleaner that contains no caustic, abrasive, or harsh ingredients to mar fine floor finishes. Fresh clean fragrance. Optimum cleaning with no alkyl or nonyl phenols.

##### ONE PACKS™

#845 - 144 x 1 fl. oz. per case. One pack makes 2 gallons.  
#846 - 72 x 2 fl. oz. per case. One pack makes 4 gallons.  
#847 - 36 x 4 fl. oz. per case. One pack makes 8 gallons.  
#848 - 10 x 8 fl. oz. per case. One pack makes 16 gallons.

##### ONE PACKS™ EXPRESS

#845E - 10 x 12 x 1 fl. oz. per case. One pack makes 2 gallons.  
#846E - 10 x 10 x 2 fl. oz. per case. One pack makes 4 gallons.

Green Seal Certified

EPA/ Design for the Environment Recognized

NSF Certified Category Code - C1, C2

#### Neutral Cleaner Concentrate

For mopping floors and washing walls, ceilings, desks, or any washable surface. A concentrated, pH-neutral, lemon-scented cleaner. Leaves floors sparkling clean without film or streaks.

##### ONE PACKS™

#710 - 144 x 1 fl. oz. per case. One pack makes 2 gallons.  
#709 - 72 x 2 fl. oz. per case. One pack makes 4 gallons.  
#712 - 36 x 4 fl. oz. per case. One pack makes 8 gallons.  
#714 - 10 x 8 fl. oz. per case. One pack makes 16 gallons.  
Use with #9945 pre-printed spray bottles.

##### NSF Certified Category Code - C1

#### Neutral Cleaner

Designed for routine maintenance on most floors. Removes soil from heavy traffic areas. Protects floor finish. Ideal for a wide variety of surfaces, including terrazzo, marble, slate, vinyl, asphalt, ceramic, and quarry tiles. Pine scent.

##### WATER FLAKES

#791 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 3 gallons.  
#800 - 400 x 0.5 wt. oz. per pail. One water-soluble packet makes 3 gallons.

##### QUART'R PACKS®

#660 - 4 x 90 x 1.5g per case. One water-soluble packet makes 1 quart.  
  
EPA/ Design for the Environment Recognized  
  
NSF Certified Category Code - C1

## FLOOR CARE

### Cleaners and Degreasers

#### GS Extra-Strength Cleaner Concentrate

Heavy-duty all-purpose cleaner and degreaser with a readily biodegradable surfactant system. Superior penetration and removal of greasy soils. Fresh clean fragrance. Safely cleans without hazardous fumes and toxic by-products.

##### ONE PACKS™

#853 - 144 x 1 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 1 gallon for scrubbing, or 2 gallons for mopping.  
#842 - 72 x 2 fl. oz. per case. One pack makes 2 gallons for scrubbing, or 4 gallons for mopping.  
#843 - 36 x 4 fl. oz. per case. One pack makes 4 gallons for scrubbing or 8 gallons for damp mopping.

##### ONE PACKS™ EXPRESS

#853E - 10 x 10 x 1 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 1 gallon for scrubbing, or 2 gallons for mopping.  
#842E - 10 x 10 x 2 fl. oz. per case. One pack makes 2 gallons for scrubbing, or 4 gallons for mopping.  
Use with #9842 pre-printed spray bottles.

##### Green Seal Certified

##### EPA/ Design for the Environment Recognized

##### NSF Certified Category Code - C1, C2

#### Extra-Strength Cleaner

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood.

##### ONE PACKS™

#732 - 72 x 2 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 2 gallons for scrubbing, or 4 gallons for mopping.  
#724 - 36 x 4 fl. oz. per case. One pack makes 4 gallons for scrubbing and mopping, or 1 quart for heavy-duty cleaning.  
Use with #9940 pre-printed spray bottles.

##### EPA/ Design for the Environment Recognized

##### NSF Certified Category Code - C1

#### Auto-Scrub Floor Cleaner

Low-foaming, concentrated cleaner designed expressly for automatic floor scrubbing equipment. Auto-Scrub leaves floors sparkling clean without film or streaks. Easy-rinsing formula.

##### ONE PACKS™

#727 - 36 x 4 fl. oz. per case. One pack makes 8 gallons.

## Bio-Active Plus

No rinse formula. Perfect for institutional kitchens, restaurants, food processing plants, schools, and businesses. Microbiologically-fortified to remove grease, waste, and odors from floors, surfaces, and drains. Use to mop around urinals and toilets, locker rooms, dumpsters - wherever persistent odors are a problem. Safe to use and safe for the environment.

##### ONE PACKS™

#822 - 72 x 2.5 fl. oz. per case. One pack makes 2 gallons for mopping or 1 quart for spray cleaning.

## Multi-Scrub

Our most potent heavy-duty degreaser. Designed for heavy-duty scrubbing on non-wood floors, walls, tables, chairs, counters, equipment, tanks, and other hard, non-porous surfaces. Ideal for removing heavy grease build-up from ovens and fryers.

##### ONE PACKS™

#701 - 72 x 2 fl. oz. per case. One pack makes 4 gallons for mopping or 1 quart for heavy-duty degreasing.  
Use with #9958 pre-printed spray bottles.

## TreadMate® Quarry Tile Cleaner

Professional strength formula eliminates slippery floors by removing grease build-up. Safe yet effective combination glycolic and citric acids and powerful detergents penetrates deep into tile cracks and grout lines. TreadMate™ does not leave a slippery alkaline residue. Use on quarry tile, ceramic tile, concrete, brick, and vinyl floors.

##### ONE PACKS™

#706 - 60 x 2 fl. oz. per case. One pack makes 4 gallons.

## Cleaner/Degreaser

A heavy-duty, pine-scented powdered cleaner. Removes grease and stubborn soils with ease. This yellow-orange powder turns a fluorescent yellow-green when dissolved in water. Ideal for concrete floors. Contains TSP.

##### ONE PACKS™

#728 - 72 x 2.5 wt. oz. per case. One pack makes 5 gallons.

## All-Purpose Cleaner/Deodorizer

Concentrated, lemon-scented powdered detergent quickly dissolves in water. Use on surfaces ranging from stainless steel and chrome, to porcelain, quarry tile, terrazzo, marble, concrete, ceramics, and painted surfaces.

##### WATER FLAKES

#793 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 3 gallons.

#802 - 400 x 0.5 wt. oz. per pail. One water-soluble packet makes 3 gallons.

##### EPA/ Design for the Environment Recognized

##### NSF Certified Category Code - C1

# PRODUCT GUIDE CONTINUED

## Heavy-Duty Cleaner Degreaser

Highly concentrated formula specially designed for degreasing floors and general spray-and-wipe cleaning. Use to remove grease, dirt, and grime from floors, walls, and a wide variety of other surfaces. Contains sodium metasilicate and butyl.

### WATER FLAKES™

#797 - 2 x 36 x 1.5 wt. oz. per case. One water-soluble packet makes 4 gallons.

## FLOOR CARE Specialty

### Concept "915" Ice Melt Remover

Removes the white crust of ice melting compound residue. Powerful chelating agents chemically suspend the salt and chloride residues in the mop solution or carpet extractor recovery tank. Leaves floors sparkling clean. Great for carpets too. Pleasant sassafras fragrance.

### ONE PACKS™

#717- 36 x 5 fl. oz. per case. One pack makes 5 gallons.

## FLOOR CARE Strippers

### Super Stripper Concentrate

An aggressive formula that easily strips metal interlocked floor finishes and sealants on the first application. Powerful enough to remove multiple layers.

### ONE PACKS™

#940 - 12 x 16 fl. oz. bottle per case. One bottle makes 3 gallons.

## FLOOR CARE Neutralizers

### Floor Conditioner and Neutralizer

Granular formula neutralizes alkaline residue after floor stripping for better floor finish application and sealing. Counteracts urine odor in restrooms. Use on floors and carpets to remove ice melt residue and brown water spots left by hard water. Eliminates dulling, discoloring, and hazing. Same formula as Water Flakes® Floor Conditioner and Neutralizer.

### ONE PACKS™

#729 - 72 x 1 wt. oz. per case. One pack makes 6 gallons.

### Floor Conditioner and Neutralizer

Neutralizes alkaline residue after floor stripping for better floor finish application and sealing. Counteracts urine odor in restrooms. Use on floors and carpets to remove ice melt residue and brown water spots left by hard water. Eliminates dulling, discoloring, and hazing. Same formula as ST-729 Floor Conditioner and Neutralizer.

### WATER FLAKES™

#796 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 3 gallons.

## FLOOR CARE Finish

### Floor Finish Concentrate

A concentrated metal interlocked polymer finish. Excellent black mark resistance. Withstands repeated scrubbing without losing its brilliant gloss.

### ONE PACKS™

#716 - 18 x 25 fl. oz. per case. One pack makes 0.5 gallon.

## SPRAY-AND-WIPE CLEANERS All-Purpose and Degreasers

### GS Extra-Strength Cleaner Concentrate

Heavy-duty all-purpose cleaner and degreaser with a readily biodegradable surfactant system. Superior penetration and removal of greasy soils. Fresh clean fragrance. Safely cleans without hazardous fumes and toxic by-products.

### ONE PACKS™

#853 - 144 x 1 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 1 gallon for scrubbing, or 2 gallons for mopping.

#842 - 72 x 2 fl. oz. per case. One pack makes 2 gallons for scrubbing, or 4 gallons for mopping.

#843 - 36 x 4 fl. oz. per case. One pack makes 4 gallons for scrubbing or 8 gallons for damp mopping.

### ONE PACKS™

#853E - 10 x 10 x 1 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 1 gallon for scrubbing, or 2 gallons for mopping.

#842E - 10 x 10 x 2 fl. oz. per case. One pack makes 2 gallons for scrubbing, or 4 gallons for mopping.

Use with #9842 pre-printed spray bottles.

### QUIK TANK

#844 - 6 x 20 fl. oz. per case. One pack makes 5 gallons for all-purpose cleaning or 2.5 gallons for heavy-duty cleaning.

Use with #9842 spray bottle and #9911 5-gallon Quik Tank container.

EPA/ Design for the Environment Recognized

### Extra-Strength Cleaner

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood.

### ONE PACKS™

#732 - 72 x 2 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 2 gallons for scrubbing, or 4 gallons for mopping.

#724 - 36 x 4 fl. oz. per case. One pack makes 4 gallons for scrubbing and mopping, or 1 quart for heavy-duty cleaning.

Use with #9940 pre-printed spray bottles.

### QUIK TANK

#748 - 10 x 10 fl. oz. packs per case. One pack makes 5 gallons for all-purpose cleaning or 2.5 gallons for heavy-duty cleaning.

Use with #9940 spray bottle and #9911 5-gallon Quik Tank container.

EPA/ Design for the Environment Recognized

### Extra-Strength Cleaner

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood.

### QUART'R PACKS™

#680 - 4 x 80 x 3.5 g per case. One packet makes 1 quart for all-purpose cleaning.

Use with #9680 pre-printed spray bottles

#681 - 1 x 80 x 3.5 g per case (includes bottle with trigger sprayer). One packet makes 1 quart for all-purpose cleaning.

EPA/ Design for the Environment Recognized

### Jungle Jake® Cleaner/Degreaser

Provides heavy duty cleaning without harsh chemicals. Jungle Jake is safe for you and safe to use on all washable surfaces, including metals, plastics, ceramics, fabrics, marble, painted surfaces and cement.

### ONE PACKS™

#1815 - 72 x 2 fl. oz. per case. One packet makes 1 quart for heavy-duty degreasing.

Use with #9815 pre-printed spray bottles.

## Multi-Scrub

Our most potent heavy-duty degreaser. Designed for heavy-duty scrubbing on non-wood floors, walls, tables, chairs, counters, equipment, tanks, and other hard, non-porous surfaces. Ideal for removing heavy grease build-up from ovens and fryers.

### ONE PACKS™

#701 - 72 x 2 fl. oz. per case. One pack makes 4 gallons for mopping or 1 quart for heavy-duty degreasing. Use with #9958 pre-printed spray bottles.

## WINDOWS & STAINLESS STEEL Concentrated Glass Cleaners

### GS Window Cleaner Concentrate

Concentrated glass cleaner formulated without solvents, glycol ethers or ammonia. Excellent performance on glass surfaces, windows, mirrors, and stainless steel. Safe on Plexiglas, plastics and contains no VOCs.

### ONE PACKS™

#720- 32 x 1.5 fl. oz. per case (includes bottle with trigger sprayer). One pack makes 25.5 oz.

#840 - 48 x 2 fl. oz. per case. One pack makes 1 quart.

### ONE PACKS™

#840E - 10 x 10 x 2 fl. oz. per case. One pack makes 1 quart. Use with #9840 pre-printed spray bottles.

### QUIK TANK

#841 - 6 x 20 fl. oz. packs per case. One pack makes 2.5 gallons. Use with #9840 spray bottle and #9911 5-gallon Quik Tank container.

EPA/ Design for the Environment Recognized

NSF Certified Category Code - A7, C1

## Window Cleaner & Stainless Steel Cleaner

Concentrated glass cleaner that leaves surfaces free of streaks, soils, smudges, and grease. Use on glass, mirrors, stainless steel, chrome, porcelain, and lightly soiled surfaces.

### ONE PACKS™

#719 - 48 x 2 fl. oz. per case. One pack makes 1 quart.

Use with #9920 pre-printed spray bottles.

### QUIK TANK

#749 - 6 x 15 fl. oz. packs per case. One pack makes 2.5 gallons. Use with #9920 spray bottle and #9911 5-gallon Quik Tank container.

NSF Certified Category Code - C2

## Window Cleaner

Concentrated glass cleaner that leaves surfaces free of streaks, soils, smudges, and grease. Use on glass, mirrors, stainless steel, chrome, porcelain, and lightly soiled surfaces.

### QUART'R PACKS™

#670 - 4 x 80 x 1.5 g per case. One packet makes 1 quart for all-purpose cleaning.

Use with #9670 pre-printed spray bottles.

#671 - 1 x 80 x 1.5 g per case (includes bottle with trigger sprayer).

One packet makes 1 quart for all-purpose cleaning.

EPA/ Design for the Environment Recognized

NSF Certification Pending

## WINDOWS & STAINLESS STEEL Specialty

### C-Clear Windshield Cleaner

Formulated specifically for automotive windshield cleaning. Add one pack to water in windshield reservoir or gas island squeegee bucket. Note: this product does not prevent freezing.

#### ONE PACKS™

#95 - 144 x 1 fl. oz. per case. One pack makes up to 2 gallons.

### Bug Blitzer®

This concentrated glass and windshield cleaner for gas island squeegee buckets cuts bug residue and road film from windshields. Leaves car and truck windshields shining!

#### WATER FLAKES

#798 - 400 x 0.5 wt. oz. per pail. One water-soluble packet makes 2.5 gallons.

#799 - 2 x 90 x 0.5 wt. oz. per pail. One water-soluble packet makes 2.5 gallons.

## RESTROOM CLEANERS

### Bowl and Multi-Surface Cleaners

#### GS Restroom & Bowl Cleaner

##### Concentrate

Non-corrosive and free of harmful acids. Safely cleans toilet bowls, urinals, tile walls, tubs, and sinks. Ideal for daily cleaning and bowl maintenance. Fresh clean fragrance.

#### ONE PACKS™

#851 - 72 x 2 fl. oz. per case. One pack makes 1 quart, or add one pack to bowl to remove heavy build-up.

#### ONE PACKS™ EXPRESS

#851E - 10 x 10 x 2 fl. oz. per case. One pack makes 1 quart, or add one pack to bowl to remove heavy build-up.

Use with #851 pre-printed quart bottles.

#### QUIK TANK

#852 - 6 x 20 fl. oz. per case. One pack makes 2.5 gallons.

Use with #851 pre-printed quart bottles and #9911 5-gallon Quik Tank container.

Green Seal Certified

EPA/ Design for the Environment Recognized

#### NSF Certified Category Code - C1, C2

### Restroom & Bowl Liquid Concentrate

Non-corrosive and free of harmful acids. Safely cleans toilet bowls, urinals, tile walls, tubs, and sinks. Ideal for daily cleaning and bowl maintenance. Fresh clean fragrance.

#### ONE PACKS™

#816 - 72 x 2 fl. oz. per case. One pack makes 1 quart, or add one pack to bowl to remove heavy build-up.

Use with #9962 pre-printed quart bottles.

#### QUIK TANK

#744 - 10 x 15 fl. oz. per case. One pack makes 2.5 gallons.

Use with #9962 pre-printed quart bottles and #9911 5-gallon Quik Tank container.

### Restroom & Bowl Cleaner

An acid-producing powdered cleaner that removes iron stains, mineral stains, and water scale. Ideal for daily cleaning and bowl maintenance. Clean, fresh herbal fragrance.

#### QUART'R PACKS™

#692 - 4 x 80 x 3.5 g per case. One packet makes 1 quart for restroom & bowl cleaning.

Use with #9680 pre-printed spray bottles

#693 - 1 x 80 x 3.5 g per case (includes bottle with trigger sprayer).

One packet makes 1 quart for restroom & bowl cleaning.

EPA/ Design for the Environment Recognized

## DISINFECTANTS

### Powdered Detergent/Disinfectant

Cleans, disinfects, and deodorizes in a single step. Kills HIV-1 (AIDS virus), HBV, HCV, Hepatitis B, Hepatitis C, E. coli, Salmonella choleraesuis, and many other pathogens on hard, inanimate surfaces. Fungicidal against Trichophyton Mentagrophytes (Athlete's Foot Fungus). Fresh lemon fragrance. EPA registered. Designed specifically for hospitals, nursing homes, and other institutions.

#### WATER FLAKES

#794 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 1 gallon (color-coded white).

#803 - 400 x 0.5 wt. oz. per pail. One water-soluble packet makes 1 gallon (color-coded white).

#### QUART'R PACKS™

#690 - 4 x 125 x 3.5 g per case. One packet makes 1 quart for disinfecting (color-coded red).

Use with #6960 pre-printed spray bottles.

#691 - 1 x 125 x 3.5 g per case (includes bottle with trigger sprayer).

One packet makes 1 quart for disinfecting (color-coded red).

EPA Reg. No. 1839-93-3640

## DISINFECTANTS

### 256:1

### Mark E II One Step Disinfectant, Germicidal Detergent and Deodorant

Multi-purpose, neutral pH, hospital-grade quaternary. A germicide, detergent, deodorizer, fungicide, virucide. Mark E II provides broad spectrum kill against HIV-1, VRE, VISA, GRE, E. coli O157:H7, CA-MRSA\*, MRSA, Influenza A/PR, HBV, HCV, Herpes Virus Types 1 & 2, Vaccinia Virus and many more. Fungicidal against: Aspergillus Niger. Use 0.5 ounce per 1 gallon for 850 ppm of disinfectant concentration.

#### ONE PACKS™

#756 - 144 x 1 fl. oz. per case. One pack makes 2 gallons.

#757 - 72 x 2 fl. oz. per case. One pack makes 4 gallons.

#758 - 36 x 4 fl. oz. per case. One pack makes 8 gallons or 64 ounces of stock solution.

Use with #9957 (pint) and #9935 (quart) pre-printed spray bottles, plus #9955 stock solution bottle.

#### QUIK TANK

#760 - 54 x 2.5 fl. oz. per case. One pack makes 5 gallons.

Use with #9935 spray bottle and #9911 5-gallon Quik Tank container.

## DISINFECTANTS

### 160:1

### Steramine®

Sanitizer, deodorizer, fungicide, mildewstat, and virucide. A quaternary-based formulation designed for use in hospitals, institutions, food production, food service, kitchens and bars. At 1 ounce per 4 gallons of water (200 ppm), Steramine sanitizing solution is effective against E. coli O157:H7. At disinfectant concentrations, 4 ounces per 5 gallons of water (625 ppm active quat), Steramine is proven effective against CA-MRSA, Avian Influenza A, HIV-1, HBV and fungicidal against Trichophyton Mentagrophytes (Athlete's Foot Fungus).

#### ONE PACKS™

#767 - 100 x 0.75 fl. oz. per case. One pack makes 3 gallons.

#722 - 144 x 1 fl. oz. per case. One pack makes 4 gallons for sanitizing.

#723 - 72 x 2 fl. oz. per case. One pack makes 8 gallons for sanitizing.

#718 - 36 x 4 fl. oz. per case. One pack makes 16 gallons for sanitizing or 64 ounce stock solution.

Use with #9959 pre-printed spray bottles, #9956 stock solution bottle, and #9961 Sanitizer/Disinfectant bucket.

EPA Reg. No. 10324-63-3640

# PRODUCT GUIDE CONTINUED

## DISINFECTANTS

64:1

### Mark 11 Disinfectant Cleaner

A pH-neutral cleaner, disinfectant, deodorizer, fungicide, sanitizer, and virucide-mildewstat. A quaternary-based formulation, designed for hospital and institutional use. When used on environmental, inanimate, hard surfaces at 2 ounces per gallon of water, provides broad-spectrum kill against HIV-1, VRE, VISA, GRE, E. coli O157:H7, MRSA, Influenza A2, H1N1, Avian Influenza, HBV, HCV, Herpes Simplex Types 1 & 2, adenovirus type 2, vaccinia viruses and many more. Fungicidal against Trichophyton Mentagrophytes (Athlete's Foot Fungus). Use 2 ounces per gallon of water for 850 ppm disinfectant concentration.

#### ONE PACKS™

#740 - 144 x 0.5 fl. oz. per case. One pack makes 1 quart.  
#735 - 72 x 2 fl. oz. per case. One pack makes 1 gallon.  
#738 - 36 x 4 fl. oz. per case. One pack makes 2 gallons.

#### ONE PACKS™ EXPRESS

#740E - 10 x 10 x 0.5 fl. oz. per case. One pack makes 1 quart. Use with #9950 pre-printed spray bottles.

#### QUIK TANK

#747 - 10 x 10 fl. oz. packs per case. One pack makes 5 gallons. Use with #9950 spray bottle and #9911 5-gallon Quik Tank container.

EPA Reg. No. 10324-154-3640

NSF Certified Category Code - D2

## AIR FRESHENER/ODOR CONTROL

### Air Freshener

Neutralizes odor in any indoor environment. Spray the fresh-scented solution into the air in restrooms, schools, hospitals, day care centers, nursing homes, and more. Leaves area naturally clean and fresh-smelling. Spray solution on carpets, fabrics, or hard surfaces to attack odors at their source.

#### ONE PACKS™

#807 - 72 x 1 fl. oz. per case. One pack makes 1 quart. Use with #9930 pre-printed spray bottles.

#### QUIK TANK

#819 - 10 x 10 fl. oz. per case. One pack makes 2.5 gallons. Use with #9930 pre-printed spray bottle and #9911 5-gallon Quik Tank container.

### Bio-Active Plus

Perfect for institutional kitchens, restaurants, food processing plants, schools, and businesses. Microbiologically-fortified to remove grease, waste, and odors from floors, surfaces, and drains. Use to mop around urinals and toilets, locker rooms, dumpsters - wherever persistent odors are a problem. Safe to use and safe for the environment.

#### ONE PACKS™

#822 - 72 x 2.5 fl. oz. per case. One pack makes 2 gallons for mopping or 1 quart for spray cleaning.

## Porta-Fresh Holding Tank

### Deodorant

Provides powerful odor control for portable and recirculating toilets. Porta-Fresh powder quickly disperses in the holding tank and contains no formaldehyde. Just add the contents of a single pack into the holding tank for long-lasting odor control. Same formula as #804 Water Flakes® Porta-Fresh Holding Tank Deodorant.

#### ONE PACKS™

#806 - 48 x 4 wt. oz. per case. One pack per holding tank.

## Porta-Fresh Holding Tank Deodorant

Provides powerful odor control for portable and recirculating toilets. Quickly disperses in the holding tank and contains no formaldehyde. Just drop a single water-soluble packet into the holding tank for long-lasting odor control.

#### WATER FLAKES

#804 - 2 x 45 x 1 wt. oz. per case. One water-soluble packet per holding tank.

## CARPET

### Low-Foam Extraction Cleaner

## Water Extraction Carpet Cleaner

A low-foaming cleaner for use in water extraction (steam) carpet machines. Gently emulsifies and carries away heavy, greasy soils from carpet fibers.

#### ONE PACKS™

#702 - 72 x 2 fl. oz. per case. One pack makes 4 gallons of water-extracting solution or 1 quart for spot cleaning.

#703 - 36 x 5 fl. oz. per case. One pack makes 10 gallons.

## CARPET

### High-Foam Carpet Shampoo

## Carpet Shampoo Concentrate

A professional carpet cleaning shampoo for heavily soiled carpets and upholstery. Optical brighteners revitalize faded colors. Produces a dry foam that does not require rinsing. Ideal for rotary machines.

#### ONE PACKS™

#736 - 36 x 5 fl. oz. per case. One pack makes 3 gallons.

## CARPET

### Encapsulating Carpet Formula

## FiberNu™ Encapsulating Low-Foaming Carpet Cleaner

Powerful new technology removes greasy dirt from carpets and eliminates the rapid resoiling so common with conventional products. FiberNu's reduced moisture, brittle dry-down, and encapsulating action trap dirt and expedite drying time. Carpeted areas can now be cleaned with minimal inconvenience for occupants. FiberNu's anti-redeposition feature keeps carpets looking fresh longer.

#### ONE PACKS™

#860 - 72 x 2 fl. oz. per case. One pack makes 1 gallon.

#861 - 36 x 4 fl. oz. per case. One pack makes 2 gallons.

## CARPET

### Ice-Melt Residue

## Concept "915" Ice Melt Remover

Removes the white crust of ice melting compound residue. Powerful chelating agents chemically suspend the salt and chloride residues in the mop solution or carpet extractor recovery tank. Leaves floors sparkling clean. Great for carpets too. Pleasant sassafras fragrance.

#### ONE PACKS™

#717 - 36 x 5 fl. oz. per case. One pack makes 5 gallons.

## FOODSERVICE

### Automatic Dishwashing

#### Hytron®

Powdered, chlorinated dishwashing compound produces clean, sparkling dishes, glassware, and silverware, and keeps dishes free of spots and water marks. Use in commercial, institutional and residential mechanical dishwashers. Ideal size for guests' use in resort rentals.

#### ONE PACKS™

#705 - 200 x 1 wt. oz. per case. One pack per load.

#708 - 84 x 1 wt. oz. per case. One pack per load.

NSF Certified Category Code - A1

## Hytron® Auto Dish in Water-Soluble Packets

Hard-working, caustic-free, fully-active detergent for use in household dishwashers. Its potent ingredients emulsify grease and dissolve stains without excessive foam and without spotting or streaking.

#### WATER FLAKES

#342 - 6 x 20 x 18 g per case. One pack per load.

## FOODSERVICE

### Manual Dishwashing

#### Pot 'N' Pan Cleaner

Thick, long-lasting suds. Easy on the hands. Removes grease and cooked-on foods from dishes, pots, pans, utensils, flatware, and food service equipment.

#### ONE PACKS™

#754 - 100 x 1.5 fl. oz. per case. One pack makes 7.5 gallons.

#781 - 72 x 2 fl. oz. per case. One pack makes 10-12 gallons.

#782 - 36 x 4 fl. oz. per case. One pack makes 20-25 gallons.

Use with #9782 pre-printed bottle with spout cap.

NSF Certified Category Code - A1

## Pot & Pan Detergent

Concentrated manual dishwashing powder with long-lasting suds. Dissolves quickly and completely. Removes grease and cooked-on foods from dishes, pots, pans, utensils, flatware, and foodservice equipment.

#### WATER FLAKES

#817 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 5 gallons.

EPA / Design for the Environment Recognized

## FOODSERVICE

### Sanitizers

#### Steramine®

Sanitizer, disinfectant, deodorizer, fungicidal and mildewstatic. A quaternary-based formulation designed for use in hospitals, institutions, food production, food service, kitchens, and bars. For sanitizing in-room coffee pots, use Steramine #718 and the #9956 Stock Solution bottle. At 1 ounce per 4 gallons of water (200 ppm), Steramine sanitizing solution is effective against E. coli O157:H7. At disinfectant concentrations, 4 ounces per 5 gallons of water (625 ppm active quat), Steramine is proven effective against CA-MRSA, Avian Influenza A, HIV-1, and HBV. Fungicidal against Trichophyton Mentagrophytes (Athlete's Foot Fungus).

#### ONE PACKS™

#767 - 100 x 0.75 fl. oz. per case. One pack makes 3 gallons.

#722 - 144 x 1 fl. oz. per case. One pack makes 4 gallons for sanitizing.

#723 - 72 x 2 fl. oz. per case. One pack makes 8 gallons for sanitizing.

#718 - 36 x 4 fl. oz. per case. One pack makes 16 gallons for sanitizing or 64 ounce stock solution.

Use with #9959 pre-printed spray bottles, #9956 stock solution bottle, and #9961 Sanitizer/Disinfectant bucket.

EPA Reg. No. 10324-63-3640

# PRODUCT GUIDE CONTINUED

## Sanitergent™ Cleaner/Sanitizer

Cleans and sanitizes in one procedure. For use on hard (nonporous) surfaces or on dishes, glasses, food processing equipment, or utensils. Effective on table tops, tanks, vats, floors, walls, dishes, glasses, and milkshake and soft serve machines. Provides 100 ppm active chlorine.

### ONE PACKS™

#762 - 50 x 1.0 wt. oz. per case. One pack per 2-1/2 gallons of water.  
#764 - 100 x 0.1 wt. oz. per case. One pack per 32 ounces of water.

EPA Reg. No. 10634-27-3640

NSF Certification Pending

## FOODSERVICE Degreasers

### Extra-Strength Cleaner

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood.

### ONE PACKS™

#732 - 72 x 2 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 2 gallons for scrubbing, or 4 gallons for mopping.  
#724 - 36 x 4 fl. oz. per case. One pack makes 4 gallons for scrubbing and mopping, or 1 quart for heavy-duty cleaning.  
Use with #9940 pre-printed spray bottles.

### Multi-Scrub

Heavy-duty degreaser. Designed for heavy-duty scrubbing on non-wood floors, walls, tables, chairs, counters, equipment, tanks, and other hard, non-porous surfaces. Ideal for removing heavy grease build-up.

### ONE PACKS™

#701 - 72 x 2 fl. oz. per case. One pack makes 4 gallons for mopping or 1 quart for heavy-duty degreasing.  
Use with #9958 pre-printed spray bottles.

### Bio-Active Plus

Perfect for institutional kitchens, restaurants, food processing plants, schools, and businesses. Microbiologically-fortified to remove grease, waste, and odors from floors, surfaces, and drains. Use to mop around urinals and toilets, locker rooms, dumpsters - wherever persistent odors are a problem. Safe to use and safe for the environment.

### ONE PACKS™

#822 - 72 x 2.5 fl. oz. per case. One pack makes 2 gallons for mopping or 1 quart for spray cleaning.

### TreadMate® Quarry Tile Cleaner

Professional strength formula eliminates slippery floors by removing grease build-up. Safe yet effective combination of glycolic and citric acids and powerful detergents penetrates deep into tile cracks and grout lines. TreadMate™ does not leave a slippery alkaline residue. Use on quarry tile, ceramic tile, concrete, brick, and vinyl floors.

### ONE PACKS™

#706 - 60 x 2 fl. oz. per case. One pack makes 4 gallons.

### Heavy-Duty Cleaner Degreaser

Highly-concentrated formula specially designed for degreasing floors, and general spray-and-wipe cleaning. Use to remove grease, dirt, and grime from floors, walls, and a wide variety of other surfaces. Contains sodium metasilicate and butyl.

### WATER FLAKES

#797 - 2 x 36 x 1.5 wt. oz. per case. One water-soluble packet makes 4 gallons.

## Extra-Strength Cleaner

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood.

### QUART'R PACKS™

#680 - 4 x 80 x 3.5 g per case. One packet makes 1 quart for all-purpose cleaning.

Use with #9680 pre-printed spray bottles.

#681 - 1 x 80 x 3.5 g per case (includes bottle with trigger sprayer). One packet makes 1 quart for all-purpose cleaning.

EPA/ Design for the Environment Recognized

NSF Certified Category Code -C1

## FOODSERVICE Specialty Cleaners

### Coffee Cleaner

Granular concentrate removes coffee stains and build-up from coffee makers and coffee pots. Safe to use on glass, plastic, and all metal surfaces. Coffee Cleaner is ideal for hotel guest room or convenience store coffee makers and coffee pots. After cleaning hotel in-room coffee pots, sanitize with Steramine #718 and the #9956 Stock Solution bottle.

### ONE PACKS™

#808 - 100 x 0.25 wt. oz. per case. One pack per coffee pot.

### GrillMate®

Glycerin-based grill or griddle cleaner for use in institutions and commercial kitchens. Fast acting formula easily removes grease and build-up. Non-flammable and safe to use on hot surfaces — no need to shut down the grill.

### ONE PACKS™

#786 - 48 x 3 fl. oz. per case. One pack per grill.

EPA/ Design for the Environment Recognized

## BAR-MASTER® PROGRAM Bar Glass Sanitization Program

### High Suds Bar Glass Cleaner

Specifically formulated to clean glassware. For use with manual brushes and when washing glasses by hand.

### Bar-Master®

#765 - 100 x 0.5 wt. oz. per case. One pack makes 3 gallons.

#856 - 2 x 4 lbs. per case. 1/2 scoop makes 3 gallons.

### Low Suds Bar Glass Cleaner

Minimal sudsing with excellent rinsing ability. For use with electric brushes.

### Bar-Master®

#766 - 100 x 0.5 wt. oz. per case. One pack makes 3 gallons.

#856 - 2 x 4 lbs. per case. 1/2 scoop makes 3 gallons.

### Powdered D-Lime-X

Conditions hard water to prevent water spots on glassware and utensils. Add to the first and last sinks for more effective cleaning and sanitizing.

### Bar-Master®

#768 - 100 x 0.5 wt. oz. per case. One pack makes 6 gallons.

### Steramine® Sanitizer

Sanitizes glassware and utensils. No potable rinse is allowed after sanitizing. Air dry only.

### Bar-Master®

#767 - 100 x 0.75 fl. oz. per case. One pack makes 3 gallons.

EPA Reg. No. 10324-63-3640

## LAUNDRY Detergents

### Brisk® Advanced Formula Laundry Detergent

Brilliant whites and colors, wash after wash. Phosphate-free, controlled suds, concentrated liquid formula that works well in hard or soft water and all water temperatures. Biodegradable and septic safe.

### ONE PACKS™

#1044 - 72 x 2 fl. oz. per case. One pack per load.

Brisk® HE Laundry Detergent

Specially formulated for high-efficiency front and top loading washers. High-efficiency washers use less water than conventional washers. Brisk® HE Laundry Detergent utilizes a special low-foaming formula that contains no phosphates. Biodegradable and safe for septic tanks.

### ONE PACKS™

#780 - 72 x 2 fl. oz. per case. Use one pack per load.

### Brisk® Ultra Green Laundry Detergent

Eco-friendly and specially formulated to clean microfiber. Brisk® Ultra Green cleans, brightens, and freshens your clothes using less detergent per washload. Its powerful suds will cut through your toughest stains in hard or soft water and at all water temperatures. Outstanding cold water performance. Septic safe.

### ONE PACKS™

#1046 - 72 x 2 fl. oz. per case. One pack per load.

EPA/ Design for the Environment Recognized

### White Wings® Ultra Laundry Detergent

Low-foaming institutional grade detergent that cleans and brightens clothes with no phosphates. Contains an enzyme system that removes microfiber "pilling" and restores fabric color. Use 1 pack per 16-20 pounds of laundry. For standard and HE machines.

### ONE PACKS™

#777 - 72 x 1.5 wt. oz. per case. One pack per load.

#783 - 150 x 1.5 wt. oz. per case. One pack per load.

EPA/ Design for the Environment Recognized

NSF Certified Category Code -B1

### White Wings® Ultra Laundry Detergent

Low-foaming concentrated detergent that cleans, brightens, and freshens. Contains an enzyme system that removes microfiber "pilling" and restores fabric color. Fresh lemon scent. Add packet to washer while filling with water. After water-soluble packet dissolves, add clothing. Use 1 water-soluble packet per 16-20 pounds of laundry. For standard and HE machines.

### WATER FLAKES

#795 - 250 x 1.2 wt. oz. per pail. One water-soluble packet per load.

#813 - 2 x 50 x 1.2 wt. oz. per case. One water-soluble packet per load.

EPA/ Design for the Environment Recognized

NSF Certified Category Code -B1

# PRODUCT GUIDE CONTINUED

## LAUNDRY Fabric Softeners

### White Wings® Fabric Softener

Brightens and softens clothes as you wash. Reduces wrinkling and eliminates static cling, making it easier to unload, iron, and fold laundry and linens. Leaves towels and washcloths pleasantly soft. Keeps colors bright and won't dull your whites.

#### ONE PACKS™

#721 - 72 x 2 fl. oz. per case. One pack per load.

## LAUNDRY Bleach

### Powdered Laundry Bleach

A sodium perborate, chlorine-free laundry bleach that is safe for use on all fabrics. Effective in hot or cold water and with all detergents or soaps, including enzyme-based products.

#### ONE PACKS™

#779 - 72 x 1.5 wt. oz. per case. One pack per load.

## DRAIN TREATMENTS Enzymes

### Flowtron Enzyme Drain Treatment

An effective powder enzyme treatment for maintaining or unclogging drains and grease traps. Non-toxic, non-caustic, and non-acid. Dissolves every form of concealed waste matter, and allows nature to purify the entire drain system.

#### ONE PACKS™

#731 - 72 x 1 wt. oz. per case. One pack per drain.

## STARTER KITS Facility Green Cleaning

### GS 5-Point Green Cleaning System Starter Kit (Large)

Yields 130 gallons of end-use product.

A simple way to test the GS 5-Point Daily Cleaning System in one of your buildings, or an easy way to start your cleaning staff on the system.

#### ONE PACKS™

#902 - Filled with a combined total of 70 packs of Stearns top-performing One Packs™. The starter kit also includes: silk-screened bottles & sprayers, MSDS's, training materials, pack openers, mixing hose, and instruction book "GS 5-Point Training and Safety Guide".

10 packs of ST-740E Mark 11\*

30 packs of ST-846E GS Neutral Cleaner Concentrate

10 packs of ST-853E GS Extra-Strength Cleaner Concentrate

10 packs of ST-840E GS Window Cleaner Concentrate

10 packs of ST-851E of GS Restroom & Bowl Cleaner Concentrate

Green Seal Certified

EPA/ Design for the Environment Recognized

EPA Reg. No. 10324-154-3640

## Green Cleaning Starter Kit (Small)

Yields 44 gallons of end-use product.

All of the same great products as our larger GS 5-Point Green Cleaning Starter Kit but in a smaller kit. The four "GS" cleaners are all Green Seal® Certified and the Mark 11 Disinfectant Cleaner is NSF Certified D2.

#### ONE PACKS™

#849A - Filled with a combined total of 36 packs of Stearns top-performing One Packs™. The starter kit also includes: silk-screened bottles & sprayers, MSDS's, training materials, pack openers, mixing hose, and instruction book "GS 5-Point Training and Safety Guide"

4 packs of ST-740E Mark 11\*

20 packs of ST-845E GS Neutral Cleaner Concentrate

4 packs of ST-853E GS Extra-Strength Cleaner Concentrate

4 packs of ST-840E GS Window Cleaner Concentrate

4 packs of ST-851E GS Restroom & Bowl Cleaner Concentrate

Green Seal Certified

EPA/ Design for the Environment Recognized

EPA Reg. No. 10324-154-3640

## STARTER KITS

### Window Washing

### Bug Blitzer® Window Wash Kit

Yields 75 gallons of end-use product.

Window cleaning has never been easier. For years, Bug Blitzer® has been used to remove bugs and grime from car and truck windshields. Now, the same proven formula is available for cleaning windows, glass, mirrors, and stainless steel within your facility.

#### WATER FLAKES

#904 - Bug Blitzer® Window Wash Kit

30 water-soluble packets of Bug Blitzer®

2.5 gallon Quik Tank container

1 Bug Blitzer® quart bottle with trigger sprayer

1 self-adhesive label.

## GS Window Cleaner Concentrate

Concentrated glass cleaner formulated without solvents, glycol ethers or ammonia. Excellent performance on glass surfaces, windows, mirrors, and stainless steel. Safe on Plexiglas, plastics and contains no VOCs.

#### ONE PACKS™

#720-32 x 1.5 fl. oz. per case (includes bottle with trigger sprayer). One pack makes 25.5 oz.

Green Seal Certified

EPA/ Design for the Environment Recognized

NSF Certified Category Code - A7, C1

## STARTER KITS

### Facility Conventional Cleaning

### 5-Point Daily Cleaning System

#### Starter Kit (Large)

Yields 130 gallons of end-use product.

#### ONE PACKS™

#901 - Filled with a combined total of 70 packs of Stearns top-performing One Packs™. The starter kit also includes: silk-screened bottles & sprayers, MSDS's, training materials, pack openers, and a mixing hose

### Universal Trainer Card Sets\*

(English or Spanish)

Whether you are Team (Specialist) Cleaning or Zone Cleaning, the Stearns Universal Trainer laminated card sets provide your FTEs (Full-Time Employees) with a documented training program. With graphic representation of every task in building maintenance, card sets are organized by task setting. Special attention is given to bathroom maintenance, general safety, and bloodborne pathogen compliance. A unique feature of the Stearns Universal Trainer card sets is the visual relationships shown between the color of products and the surfaces they clean. The visual icons and color coding train workers without relying on the written word.

### Dispenser-Free Savings Evaluator summarizes your savings:

- See what trips to the blend-center are costing you.
- Enter your staff's routine, wages, and benefits.
- Calculate your time, FTEs, and dollar savings.

### CIMS & CIMS-GB\*\* Regulatory Compliance Guidebook

Stearns' Regulatory Compliance Guidebook For Cleaning Organizations is an unbelievable tool for companies striving to attain CIMS & CIMS-GB certification. This binder is a roadmap to compliance for many sections of the CIMS & CIMS-GB Standard. Including everything from Hazard Communication to Workplace Safety & Health, this binder provides a "CIMS Regulatory Compliance Editable Documents" CD that enables you to customize your documents on-screen for CIMS & CIMS-GB Certification.

### Workloading Wizard Software\*\*\*

Know your cost. Be competitive. Make money. Quickly and accurately convert square footages, fixture counts, and production rates into a solid estimate with this fast and flexible workloading software. This intuitive program lets you try multiple scenarios to optimize crew utilization with confidence. Includes a Dispenser-Free Introductory PowerPoint and a Workloading Wizard Introductory PowerPoint.

### Workloading Wizard gets you the answers:

- How many minutes will it take to complete a task? Clean an area?
- What happens to my cost when I add or subtract space?
- How do I choose the best cleaning method or maintenance plan?
- What will a wage increase do to my bottom line?
- How does a change in task frequency affect the cost?
- How many FTEs will be required?

\* Complies with CIMS-GB requirements 3.6, 3.7, 4.1, 4.2, and 6.2.

\*\* ISSA's Cleaning Industry Management Standard for Green Buildings.

\*\*\* Complies with CIMS-GB requirement 2.1.1 Workloading and 2.1.2 Bidding/Costing Process.
