

The World's Greatest
Occupational Skin Care Range

The world's leading away from home skin care company

Our Expertise

Science | Heritage | Innovation | Ambition

Deb and Stoko have come together to create the world's leading occupational skin care specialist; combining innovation, science and over 80 years of expertise to lead the fight against occupational skin disorders.

We have created the greatest and most comprehensive occupational skin care range that meets all skin care needs with products that people like, understand and are motivated to use. The new Deb Stoko Range will deliver improved health & safety, reduced environmental impact and a measurable economic value.

Supported by the world's largest dedicated skin care sales team, our core purpose is creating a health & safety culture to truly make hands matter in the workplace.

Key Facts

- Our products are used over **150 million times** every day
- **97%** of our products are manufactured in our production sites
- **23 operations** covering **5 continents**
- Our two state-of-the-art dispenser manufacturing facilities can produce up to **5 million** dispensers per year

Leading the fight
against occupational
skin disorders

Deliver true leadership in the
fight to combat occupational
skin disorders.

LEADERSHIP

Provide the most complete
product offering to address
the skin care needs for all
workplace environments in
one range.

SKIN CARE

Expanded geographic
coverage over five continents
to better serve both our local
and international customers.

GLOBAL

Use our deep technical
expertise to further drive
innovation in skin care.

EXPERTISE

All Occupational Skin Care Needs in One Range

Deb Stoko is the most comprehensive range of high quality products covering the whole spectrum of skin care needs, spanning industrial, commercial, food and healthcare environments. The range has been carefully devised to respect both regional requirements and personal preferences.

It offers protection against a wide variety of threats while providing specialized cleansing options for any light through to heavy requirement; hand disinfection with advanced Deb Foam Technology; as well as restoration with world renowned skin care creams.

The 6 Outstanding Benefits

1 World's Best Products

As the global expert in occupational skin care, our unrivaled products are specially designed to provide optimal performance, with skin friendly formulas that respect the environment. All our products are manufactured to international standards for quality and regulatory compliance.

2 Incomparable Breadth of Range

All the skin care requirements of all end users in all market sectors are addressed in one range. By selecting the specialist products that are appropriate for each workplace environment, our range can be completely tailored for integration into a dedicated skin care program that will drive improvement in skin care standards.

3 Continuous Innovation

Our range includes unparalleled innovations and 'World Firsts'; through investing more in R&D than any other occupational skin care specialist.

4 Deep Knowledge & Support

The Deb Stoko Range is exceptionally supported by the world's largest dedicated sales team, expertly trained and supported by a comprehensive, international team of technical and scientific occupational skin care experts.

5 Cost Advantage

The comprehensive range ensures the right product can be used for the right application for optimal use and efficiency, with controlled dosing to minimize waste. All Deb Stoko product formulations and dispensing systems are designed, developed and manufactured in-house to provide the best choice solution for every application and to deliver cost advantage.

6 Smart Packaging

With a unique understanding of customer behavior, our smart packaging has been designed to be eye-catching, yet universally understood to drive compliance and correct product usage.

Our 4-Step Approach to Superior Skin Care

Our product range accommodates a broad variety of user preferences and application requirements. All Deb products are fully tested, supported and color-coded for easy identification.

PROTECT

Pre-work skin protection creams help protect the skin against contact with various workplace contaminants, irritants and working conditions.

- UNIVERSAL
- SPECIALIST
- UV

CLEANSE

Appropriate cleansing of the hands plays a vital part in preventing occupational dermatitis. Using the appropriate cleansers will help with removing dirt and irritants while keeping the skin in a healthy condition.

Washroom Soaps

Hair & Body Wash

Green Seal Certified - This product meets Green Seal™ Standards GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. Greenseal.org

NSF Certified

The NSF certification mark assures that a product complies with all standard requirements set forth by the NSF to guarantee product quality, compliance and safety.

Why Foam Soaps Are Better Than Lotion Soaps

Independent research shows that Deb Stoko foam soaps require 36% less product for an effective hand wash compared with traditional liquid/ lotion soap. The research also reveals that using foam soap instead of traditional lotion/ liquid soap reduces:

- Water consumption by up to 45%
- Product consumption and chemical waste
- The energy required to heat washroom water
- Packaging waste

* Studies conducted in the UK in 2009

CLASSIC FOAMS

Refresh™ Clear FOAM

Perfume-free & dye-free gentle foam hand wash

- Perfume-free and dye-free formulation reduces risk of allergic reaction and skin irritation
- Non tainting to food

TouchFREE Dispensers

Stylish and highly efficient TouchFREE dispensers with exceptionally long battery life for wall-mount or counter-mount applications.

- Specifically designed to deliver the right amount of product every time, minimizing over-use and wastage.
- Integrate with hygienically sealed cartridges to eliminate mess and provide fresh product every application.
- Low maintenance, combining robust and easy-to-clean dispenser surfaces with rapid cartridge replacement.

Wall-Mount TF Ultra™

For use with the Deb Stoko Range of washroom foam soaps, antibacterial foam soaps and foam hand sanitizers.

Innovative low energy infrared sensing technology provides up to 5 years battery life

A silver-based antibacterial agent that inhibits the growth of bacteria and molds

Counter-Mount CTF Ultra™

For use with the Deb Stoko Range of foam and antibacterial hand soaps.

- Flexible design allows any orientation to guarantee housing in most facilities
- Built-in light indicators notify facilities when refills and batteries need replacing
- Up to 3 years battery life or 90,000 hand washes - Up to **4.5 times longer** than other similar systems

Custom Dispensers

The range of dispensers featured in this product guide has been carefully designed to complement with each Deb Stoko Skin Safety Regimen. In addition, our cutting-edge print technology can be combined with a wide variety of component color options to decorate a dispenser that is unique to you.

Our design teams can work with you to create a Deb Stoko Dispenser that reflects your own identity or specification.

Our exclusive design development and manufacturing process produces permanent decorations that are chemical and fade resistant and will last the life of the dispenser.

From corporate branding, to logos, instructions for use, or eye-catching photographic quality images.

Deb Stoko Support

For any organization, the implementation of skin care practices that are collectively followed and universally understood is an ongoing challenge.

Therefore, to help with this process, Deb has created a unique education and audit support program available to all customers of the Deb Stoko Range.

Ongoing Site Education & Awareness

To help maintain improved skin care standards, we provide a number of communication tools to support ongoing education and awareness.

Audit / Conducting 'Pre & Post' Audit

Audits to help establish and maintain the effectiveness of the Deb program and to ensure you are completely satisfied with the newly installed Deb products.
