

# M.L.D.<sup>TM</sup> Bowl Cleanse

phosphoric acid cleaner/disinfectant

M.L.D. Bowl Cleanse is a phosphoric acid formula that provides disinfectant cleaning for the elimination of the many dangerous bacteria found in toilet bowls and urinals. The 25% phosphoric acid formula easily removes mineral deposits in toilets without harm to plumbing.

Providing Quality Maintenance and Chemical Specialty Solutions with Unparalleled Customer Service

Spartan Chemical Company, Inc.  
1110 Spartan Drive  
Maumee, OH 43537

#### CLEANS STUBBORN RESIDUE:

The detergent system of M.L.D. Bowl Cleanse lifts off and emulsifies soil deposits for thorough cleaning. The detergents also aid the process of disinfecting by penetrating through the soil to reach bacteria. The germicidal agents eliminate bacteria effectively.

#### DEODORIZES/BREAKS DOWN SCALE AND LIME DEPOSITS:

The breakdown of scale, lime and organic soils eliminates the foul odors associated with restroom facilities. The added fragrance of M.L.D. Bowl Cleanse enhances the impression of 'just cleaned' by leaving a clean and fresh scent.

#### SAFE FOR PLUMBING AND SEPTIC TANKS:

Use of M.L.D. Bowl Cleanse will not harm plumbing and septic tank systems when used as directed. Formerly authorized for use by the USDA with a "C2" rating "For use in toilets and or dressing rooms".

#### DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before use, read product label and MSDS.

#### CLEANING, DISINFECTING AND DEODORIZING TOILET BOWLS AND URINALS:

1. With swab mop applicator, remove water from bowl by forcing over trap.

2. Press swab mop against side of bowl to remove excessive water from applicator.
3. Saturate swab mop with Bowl Cleanse (1-2 oz.) while holding applicator and bottle over bowl.
4. Swab entire surface area especially under the rim where water outlets are located.
5. Allow M.L.D. Bowl Cleanse to remain wet on surface at least 10 minutes.
6. Flush toilet several times and rinse swab mop applicator thoroughly.

**For heavily soiled surfaces, a preliminary cleaning is required.**

#### IMPORTANT – USE ONLY ON VITREOUS TOILETS OR URINALS.

**Some fiberglass such as Sterling's Vikrell is not acid-resistant. Consult manufacturer's warranty. Test in inconspicuous area before use.**

See product label for complete directions for use and more applications.

**Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting [www.spartanchemical.com](http://www.spartanchemical.com).**
