

TB-Cide Quat®

cleaner/deodorizer/disinfectant

TB-Cide Quat is a quaternary-based, ready-to-use cleaner/deodorizer/disinfectant. TB-Cide Quat is non-viscous and clear in color with a crisp, clean lemon fragrance. This broad spectrum, state-of-the-art disinfectant not only meets the recommendations of the OSHA Bloodborne Pathogen Standard for activity against *Mycobacterium tuberculosis*, BCG, HBV (Hepatitis B Virus), HCV (Hepatitis C Virus), and HIV-1 (AIDS Virus), but also addresses present-day health care management concerns relating to *Escherichia coli* O157:H7 and in the animal health care area, Canine parvovirus.

WHO CAN BENEFIT:

Health care providers in hospitals, nursing homes, schools; those involved in maintaining facilities where large numbers of people are present; and animal health care veterinarians, animal grooming, animal husbandry, etc. can benefit from TB-Cide Quat's broad spectrum disinfectant activity.

TB-Cide Quat is an excellent disinfectant for use on walls, sink tops, tables, chairs, glazed ceramic tiles in bathrooms, shower stalls and bathtubs, cabinets.

MILDEWSTAT AND DEODORIZER:

TB-Cide Quat controls mold and mildew and is, therefore, excellent for use in restrooms, shower rooms, on damp concrete and other areas susceptible to mildew growth.

TB-Cide Quat deodorizes garbage storage areas, empty garbage bins and cans, on damp concrete and in restrooms and other areas which are prone to odors caused by microorganisms.
