HOUSEWARE

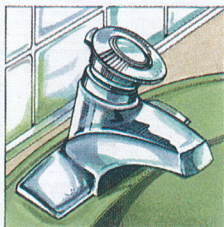

Shines like new: *silverware, sterling and gold jewellery, brass and copper ornaments. Stainless Steel — cutlery, sinks, stove tops and kitchen chrome.*

Aluminum — screen doors, window frames and leaded glass. Removes: hard water stains, lime deposits, tarnish, rust, corrosion and heat discoloration.

HARDWARE/PLUMBING

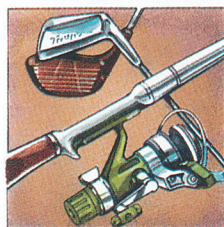

Cleans and protects: *brass, chrome faucets. Stainless steel — sinks. Aluminum — shower doors and trim. Fiberglass — tubs, sinks, ceramic tiles and tubs.*

Removes: hard water stains, lime deposits, tarnish, rust, corrosion and heat discoloration.

AUTOMOTIVE/TRUCK/CYCLE

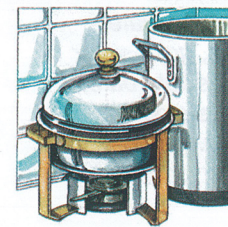

Protects against moisture: *Chrome — wheels, trim, bumpers, stacks. Painted and fiberglass surfaces. Aluminum — valve covers, wheels, motorcycle casings, headers. Removes: cloudiness from headlights, heat discoloration, rust, oxidation water marks, tree sap stains and tarnish.*

SPORTING GOODS

Restores lustre: *rods, reels, knives, brass, silver lures, stainless steel, nickel and blued guns. Aluminum and fiberglass — boats, camping equipment, bicycles and golf clubs. Safe on factory gun bluing. Removes:*

Salt water corrosion, rust, oxidation, tarnish and powder residue.

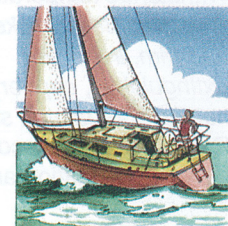

HOTEL AND RESTAURANT SUPPLY

Adds sparkle: *brass — rails, decorative wall hangings. Copper — cookware, decor antiques. Stainless steel — sinks and counter tops. Silver — Cutlery, flatware, and chafing dishes.*

Removes: wax and grease build up, tarnish, fingermarks, smoke stains and heat discoloration.

MARINE

Protects against the elements: *stainless steel — stanchions and fittings. Aluminum — bow rails and chrome hardware. Brass and bronze — portholes and winches. Fiberglass and plexiglas. Removes: salt water corrosion, oxidation, tarnish, rust and water stains.*

GIFTWARE

Adds a new life: *Antiques — silver, pewter, platinum, brass and bronze jewellery. Flatware — silver and stainless. Bronze art forms — sculpture and castings. Plaques, sterling, silver plate and trophies. Removes: tarnish and oxidation.*
