Dear Valued Partner,

Recent energy market disruptions have increased raw material, freight, and logistics costs impacting our goods and services.

Due to these sudden and sustained cost increases, LK must implement a **general price increase of 10%** across our product portfolio, with the following adjustments:

- Custom products, which will continue to be priced based on market conditions at the time of order.
- Red Rock Overwrap Film – while subject to the 10% increase, all outstanding quotes will expire and require repricing to reflect current market conditions. Your LK rep is available to answer and address any questions or concerns.
- Vacuum Pouches – will increase by 9%

LK is closely monitoring market conditions and will communicate any future price adjustments if warranted.

Beginning Monday, April 20, 2026, you will be able to view or download your Staged Pricing after logging into your LK Webstore account and going through your profile icon to Account Management / Price List. These prices will be effective on May 11, 2026.

If you don't have an LK Webstore account, simply enter your company's billing zip code and LK account number to register [here](#).

As always, please contact LK Customer Care at (800) 809-8393 with any questions.

Thank you for continuing to trust LK for on-time delivery of quality-crafted packaging at competitive prices and for recognizing LK's commitment to strength through partnership.

Sincerely,
