Dear Valued Customer,

This letter serves as a notice regarding an in-to-stock price increase that Accurate plans to put into effect starting October 1, 2022. This will consist of a 12% cost increase on all products.

Our productivity rate and usage of the most advanced technologies in the market have allowed us to adjust the increase so that you, our loyal consumer, shall not bear the full brunt of rising costs being implemented on Accurate. We value your business and thank you for your continued support.

All orders received prior to October 1, 2022, will receive the current pricing.

We have enclosed a copy of your updated price sheet. If you have any questions, please feel free to contact us.
