Dear Customer:

Thank you for your continued use and support of Diversified Hospitality's products. We know that the uniqueness and environmental attributes of our lines are important to you, your companies, and customers.

Over the past several months we have been met with an increase in costs to all aspects of the manufacturing and distribution processes. In order to continue to provide our differentiated products, without overburdening you and your customers, we have implemented price increases based on a portion of our increased cost for each item.

Price increases affecting all items went into effect 15 January 2022 to all Diversified Customers.

If you require any additional information, please contact us at any time. Thank you for your continued partnership with Diversified.

Warmest regards,

Khaila Romero
