Dear Valued Customer,

Mission Kleensweep Products Inc. sincerely appreciates your loyalty and continued partnership during these unprecedented times. Our sweeping compounds and absorbents remain both trusted and essential in the marketplace. Our dedicated team continues to work diligently to meet the needs of all our customers.

Like many businesses, Mission Kleensweep is navigating the same challenging market conditions affecting industries worldwide, including inflation, raw material shortages, rising labor, transportation, and supplier pricing. Due to these ongoing factors and the lack of foreseeable relief, we must implement a price adjustment of 10%, effective January 1, 2026.

Additionally, please note that full pallet purchase orders will now carry a \$1,358 minimum order requirement within a 50-mile radius. The San Diego area remains an exception and will continue to qualify for free delivery on purchase orders that meet delivery minimums.

As always, Mission Kleensweep remains committed to delivering the highest quality products and exceptional customer service. We value your business and look forward to continuing to serve you in the year ahead.

With Appreciation,
Mission Kleensweep Products Inc.
