Re: General Price Adjustment Effective Date 3/1/2022

To Our valued customers,

Due to the ongoing rise of demand for ocean containers, increases in raw material and labor costs, and weakening of the US dollar, we've found it necessary to announce a price adjustment on the products listed below effective March 1st, 2022.

We trust that you understand the necessity of these adjustments in order to continue providing you the excellent and uninterrupted service, which you have come to expect from Goldmax over the years and we know that we can also count on your support and loyalty to ensure the continued success of our business together.

Please feel free to contact your sales representative for any assistance that we may offer in making this situation as less inconvenient to you as possible.

Sincerely,

Goldmax Industries, Inc.
