

Dear valued customer,

Significant raw material cost increases, labor challenges, and supply chain issues continue to bring tremendous inflationary pressure on us all. As your business partner, we fought hard and absorbed these increases for as long as we could. As a result, we must raise our prices to keep pace with manufacturing, shipping, and operating costs.

The price changes will affect all purchase orders placed on or after **May 16, 2022**.

Attached is a letter that shows your Wipes Plus product portfolio and the updated pricing.

As always, you can rely on Wipes Plus for high-quality products, timely delivery, and top-notch customer service. We are grateful for your understanding and look forward to our continued partnership. Please feel free to reach out to your Wipes Plus representatives with any questions or concerns.

Kindly acknowledge receipt of this email.

Sincerely,
