The global environment remains fluid, particularly in energy markets and transportation. If conditions stabilize or improve, we will review pricing and implement adjustments where feasible. Our priority is to maintain fair, competitive pricing while continuing to deliver dependable supply and service to our customers.

All contracted pricing will be reviewed and adjusted to accommodate this increase.

Kari-Out and SQP will not accommodate any advanced buys and will reserve the right to restrict any orders which exceed normal ordering patterns or previously submitted forecast.

We would not bring such a price increase to you unless it was necessary. As always, we greatly appreciate your valued business and support.

Thank you for your understanding and your continued support.

Sincerely,

Kari-Out Company
