RE: March 2026 Polyethylene Price Increase Announcement

Dear Valued Customer:

Chevron Phillips Chemical ("Chevron Phillips") is revising the previously announced \$0.05 per pound price increase for all polyethylene products that was to be effective February 1, 2026, to \$0.08 per pound price increase effective date of March 1, 2026.

Please contact your Chevron Phillips Marlex® polyethylene sales representative with any questions regarding polyethylene pricing and current industry conditions. Thank you for your business and for allowing us to continue supplying your polyethylene needs.

Sincerely,

Dow Packaging & Specialty Plastics Price Update

Price Increase for March and April 2026

March 4, 2026

Dear Valued Customer,

As a result of global supply dynamics, The Dow Chemical Company and Dow Chemical Canada ULC (“Dow”) will modify the previously-announced US\$0.05/lb price increase to US\$0.10/lb for all HDPE/LLDPE/LDPE resins sold in the United States and Canada, respectively, effective March 1st, 2026, or as otherwise allowed by contract. Additionally, The Dow Chemical Company and Dow Chemical Canada ULC (“Dow”) will implement a US\$0.05/lb price increase for all HDPE/LLDPE/LDPE resins sold in the United States and Canada, respectively, effective April 1st, 2026, or as otherwise allowed by contract.

Your local Dow representative will contact you to answer any questions you may have regarding these price movements.

We appreciate your continued business.

Sincerely,

Izabel Assis

RE: Polyethylene (PE) Price Increase March and April 2026

Dear Valued Customer,

Equistar Chemicals, LP **will revise the announced price increase of \$0.07/lb. to \$0.10/lb.** for all grades of polyethylene sold in North America, **effective March 1, 2026.**

Equistar Chemicals, LP **also announces a price increase of \$0.10/lb.** for all grades of polyethylene sold in North America, **effective April 1, 2026.**

Equistar's goal continues to be production of polyethylene in sufficient quantities to fulfill current orders. Fulfillment of future orders (including those submitted prior to the increase date) are subject to Equistar's acceptance of each order and our ability to supply product.

We appreciate your business and the confidence you have placed in us as a supplier of your polyethylene needs. Your Account Manager can answer any questions you may have regarding these price amendments.

Sincerely,

A handwritten signature in cursive script that reads 'Brian Griffin'.
